Electric & Gas Company and Dominion Energy,
Inc., for review and approval of a proposed
business combination between SCANA
Corporation and Dominion Energy, Inc., as may
be required, and for a prudency determination
regarding the abandonment of the V.C. Summer
Units 2 & 3 Project and associated customer
Benefits and cost recovery plan.

**PETITION TO INTERVENE OF
FRANK KNAPP, JR.**

Frank Knapp, Jr. hereby petitions the Public Service Commission of South Carolina ("Commission"), pursuant to R.103-825 and other applicable rules and regulations of the Commission for permission to intervene and be made a party of record in the above-captioned docket. In support of this Petition, Mr. Knapp would show the following:

1. I reside at 118 East Selwood Lane, Columbia, South Carolina 29212, and I own an office building located at 1717 Gervais Street in Columbia, South Carolina. Both are served by SCE&G.
2. I represent myself in this proceeding.
3. In the proceeding the Commission will determine whether to approve the joint application and petition of South Carolina Electric and Gas Company and Dominion Energy, Inc. regarding SCANA Corporation becoming a wholly-owned subsidiary of Dominion Energy. The Commission will also determine whether to approve a customer

benefit and cost recovery plan for new nuclear development costs associated with the V.C. Summer Units 2 & 3 Project to accompany the Merger.

4. I am a residential and a commercial customer of SCE&G and have a personal and business interest in this proceeding.
5. Given the state of the record at this stage of the proceedings, I lack sufficient information to fully develop and state a position in the proceeding at this time.
6. As a residential and commercial customer my intervention will aid the Commission by assisting in the development of a full and fair record to address the issues raised in this proceeding. I have a direct and material interest in the issues to be addressed and resolved by the Commission in this docket and my interests are not adequately represented by the current parties in this proceeding.
7. I am informed and believe that granting my request to be made a party of record in the above-captioned proceeding is in the public interest, is consistent with the policies of the Commission in encouraging maximum public participation in the issues before it, and should be allowed so that a full and complete record addressing the views and concerns of myself can be developed.

WHEREFORE, I pray for the following relief:

- A. That this petition to intervene granted by the Commission and that I be made a formal party of record to the proceeding;
- B. That I be allowed to participate fully in this proceeding and to take such positions as I deem advisable; and
- C. That such other and further relief be granted as is just and proper.

Dated this 24th day of January, 2018.
